

Conservation Volunteer Event

Come volunteer for...

Musquash Estuary Trailblazers

Join the **Nature Conservancy of Canada (NCC)** staff and other volunteers on a hike and help us maintain our coastal footpath overlooking the picturesque Musquash Estuary, located just 20 km west of Saint John.

Saturday, June 4, 2011

NCC's Musquash Estuary trails

(directions provided on registration)

To register or for more information visit
www.conservationvolunteers.ca
or call the NCC Office at 1-877-231-4400

The Nature Conservancy of Canada (NCC) is Canada's leading non-profit land conservation organization working for the direct protection of Canada's ecologically significant land. NCC has helped to protect over 11,000 acres of land in New Brunswick.

This event is sponsored by Saint John Energy
