Subject: SJ CBC Data (E1 - Rothesay)

Hi Chrissy,

Hope you are getting reports in from people, and maybe most others are in by now. Ann and I did E1 and part of E2 (basically just the sewage Lagoon at K Park) as I wasn't sure whether Judy Whalen was doing her usual E2 sector or not. I've put the K Park lagoon data separately in case it is a double counting.

Observers: 2 (Ann MacPhail and Don MacPhail)
